Subitem-C: (R-95-264) ADOPTED AS RESOLUTION R-284897

Authorizing an Interim Street Detour Agreement with  
Pacific Torrey Reserve Assets, Inc.

CITY MANAGER SUPPORTING INFORMATION:

On February 9, 1993 the City Council of the City of San Diego approved Resolution No. R-281473, authorizing the vacation of portions of El Camino Real. Right-of-way for the new alignment of El Camino Real will be dedicated with the filing of the subject final map. However, in order to construct the new street improvements, it will be necessary to detour traffic through adjacent private property. Staff is recommending that the City enter into an "Interim Street Detour Agreement" with Pacific Torrey Reserve Assets, Inc., in order to provide for this detour and maintain physical access to residents along Arroyo Sorrento Road during construction. The agreement will authorize the construction of an interim detour route or routes. The detour route will traverse properties owned by the City, the State, and Pacific Torrey Reserve Assets, Inc. The contractor of the street realignment will be responsible for obtaining appropriate permits for this work.

water easement in Lots 21 and 67, Rancho Mission of San  
Diego, located on San Diego State University campus,  
for \$500 to the State of California;

Authorizing a quitclaim deed, quitclaiming the water  
easement to the State of California;

Declaring that no broker's commission shall be paid by  
the City on the negotiated sale.

CITY MANAGER SUPPORTING INFORMATION:

San Diego State University has requested abandonment of a water  
easement over portions of Lots 21 and 67, Rancho Mission of San  
Diego, to remove any cloud on the title of State-owned land and  
enabling them to proceed with a bond sale for the parking,  
housing or auxiliary activities on the SDSU campus. The City has  
previously abandoned portions of the same easement to the  
University, once in 1969 and again in 1975. The subject easement  
has been reviewed by all concerned departments and determined  
that there is no present or prospective need for the easement;  
therefore, abandonment is recommended.

and evaluate department-wide community policing.

CITY MANAGER SUPPORTING INFORMATION:

The Police Department has been invited by the U.S. Bureau of Justice Assistance to apply for demonstration grant funds for the purpose of designing, implementing, and evaluating Community Policing on a department-wide basis. The demonstration project will be guided by the national Community Policing Consortium, consisting of representatives of the International Association of Chiefs of Police, the Police Executive Research Forum, the Police Foundation, and the National Sheriff's Association. Funds will be used for professional support and clerical personnel, automation systems, required travel/training, and miscellaneous equipment and supplies.

\* ITEM-118:

SUBJECT: Interest Waiver for Purchases of Service Credit in the Retirement System.

RETIREMENT BOARD'S RECOMMENDATION:

Adopt the following resolution:

(R-95-733) ADOPTED AS RESOLUTION R-284913

Authorizing the Retirement Board to implement the waiver of a portion of the interest to be charged from June 30, 1990 through July 1, 1994, for certain purchases of service credit for previous City service involving unrepresented employees in unclassified, part-time and hourly service of the City, pursuant to San Diego Municipal Code Section 24.1310.

SUPPORTING INFORMATION:

The ability to purchase service credit in the Retirement System has created a variety of inequitable situations for a group of members (unclassified, part-time and hourly City employees) who are not represented by any bargaining unit. San Diego Municipal Code Section 24.1310 provides that any member seeking to purchase

service credit must pay into the Retirement System both the employee and employer contributions which would have been made had she or he been a member during the time for which he or she seeks service credit, including the interest which would have accrued. In 1989 and 1990, a number of broad changes were authorized by the City Council which expanded the service eligible for purchase, expanded the number of employees eligible to purchase their previous City service and removed restrictions previously imposed upon the purchase of service credit. The Board experienced delays for a variety of reasons in establishing procedures and staffing to implement these benefit changes. The Retirement Board unanimously approved a waiver of a portion of the interest to be charged from June 30, 1990 to July 1, 1993, on purchases of service credit involving the affected employees.

This period was selected because it covered the period of delay and because it was estimated that it would take until the latter part of 1993 to accomplish the necessary changes to the San Diego Municipal Code. The present recommendation waives interest from June 30, 1990 through July 1, 1994, reflecting the additional delay actually incurred in resolving this matter. In an abundance of caution, the Board sought review by the City Attorney and outside fiduciary counsel on the question of whether this action might constitute a gift of public funds. Both the City Attorney and fiduciary counsel indicated that the proposed interest waiver would not be a gift of public funds. Outside counsel, however, suggested that the proposed waiver was more akin to a benefit determination and recommended that the matter be referred to the City Council for action. As such, the Board has referred the matter to the City Council.

The City Manager supports the City Council's approval of the interest waiver. It would maintain and enhance the confidence and morale of the System's current members, assure that the System's members will be treated fairly and equitably and retain qualified and competent employees. Finally, with the recent amendment to the Retirement System regarding mandatory membership for all employees hired by the City on or after August 11, 1993, the proposed waiver becomes a one-time proposition.

SUBJECT: Transfer of Funds for Owner-Controlled Insurance and  
for the State Ocean Compliance Waiver.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-95-727) ADOPTED AS RESOLUTION R-284914

Authorizing the City Auditor and Comptroller to transfer an amount not to exceed \$500,000 from the Metropolitan Wastewater Department Sewer Fund No. 41509, CIP-46-170.0, Point Loma Digester Facility Upgrade and Expansion, to CIP-46-184.0, Deductible for Owner-Controlled Insurance Program, for the insurance deductible related to the City's owner-controlled insurance, with authorization to expend these funds to be requested at a later date;

Authorizing the City Auditor and Comptroller to transfer an amount not to exceed \$1,000,000 from the Metropolitan Wastewater Department Fund No. 41509, CIP-42-910.1, North City Water Reclamation Plant, to Metropolitan Technical Services Fund No. 41508, Major Program 77810, Program Element 77811, Object Account 4151, for the City's State Ocean Plan compliance waiver, with authorization to expend these funds to be requested at a later date.

CITY MANAGER SUPPORTING INFORMATION:

On June 21, 1994, by Resolution R-284112, Council approved the owner-controlled insurance program for the Metropolitan Wastewater Department, and awarded a contract to Sedgewick James of California to administer the program. This action identifies funds in the amount of \$500,000 to meet our deductible requirement. Authorization for expenditure of these funds will be obtained as needed. Per Council direction, the Metropolitan Wastewater Department is staffing an effort with the intent to apply for a waiver from secondary treatment at the Point Loma Wastewater Plant. With this action funds will be identified in the amount of \$1,000,000 for administrative work related to this effort.

Authorization for expenditure of these funds will be obtained at a later date.

Authorizing the expenditure of not to exceed  
\$108,931.59 from Vermont Street Pedestrian Bridge  
CIP-53-048.0, Fund No. 30300, TransNet - Proposition A.

CITY MANAGER SUPPORTING INFORMATION:

Capital Improvement Project CIP-53-048.0 provides for the design and reconstruction of the Vermont Street Pedestrian Bridge. The reconstruction of the bridge was awarded to L.R. Hubbard Construction, Co., Inc. on September 30, 1993 for \$817,506.50.

The construction bid for the project was \$78,682.50 over the engineer's estimate of \$738,824. Funds were shifted from construction inspection so the project could be awarded. In addition, Law/Crandall, Inc. was hired via a purchase order for special inspection of work listed in their August 16, 1993 letter.

Their original fee was \$13,000. The original scope of work required two weeks of full time inspection with periodic follow-up inspections based on an American Institute of Steel Construction (AISC) certified fabricator.

The City opted to approve the non-AISC certified minority fabricator, Edteq, for the project based on the condition that the contractor, L.R. Hubbard Construction, Inc., would be responsible for any extra inspection created by Edteq's work. Law/Crandall, Inc. has spent more time than anticipated because of the fabricator's failure to adequately staff the project. To cover this, the City will withhold funds due L.R. Hubbard Construction, Inc. for the extra inspection time required. Law/Crandall, Inc. has requested an additional \$57,000 for project testing and inspection services. Their work is expected to be completed in October 1994.

It is requested that Law/Crandall, Inc. continue project testing and inspection services and increase the authorized amount noted in Law/Crandall, Inc. purchase order. The total fee would be increased to \$70,000. This request would allow the construction of the project to continue without delays. \$108,931.59 in additional funds will be necessary for the completion of the project, plus \$57,000 withheld for L.R. Hubbard (the prime contractor) to provide for the additional inspection by Law/Crandall, Inc.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-95-593) ADOPTED AS RESOLUTION R-284920

Authorizing an agreement with the Air Pollution Control District to accept and expend funding for regional Ridesharing Marketing Research in the amount of \$75,000;

Authorizing an agreement with the top recommended consultant, Ilium Associates, Inc., to conduct Ridesharing Marketing Research for a total cost of \$74,900.

CITY MANAGER SUPPORTING INFORMATION:

Under authority of AB2766, the Air Pollution Control Board (APCD) established a \$2.00 per motor vehicle registration fee to fund Transportation Control Measures and other programs to reduce vehicle emissions in San Diego County. The Air Pollution Control Board approved a funding allocation plan last September for

projects submitted by a number of cities and other interests. The APCB authorized an allocation of \$75,000, requested by the City of San Diego, to conduct County marketing research of public attitudes, habits, and awareness towards commute modes and alternatives to bring about behavioral changes in favor of ridesharing.

Following the recommendation of a five person consultant selection committee, based upon the independent review of 12 consultant proposals solicited by the City and interviews with the top four consultants, Ilium Associates of Bellevue, Washington was selected as the top candidate.

Subsequent negotiations with Ilium Associates resulted in the signed agreement for Council approval in the amount of \$74,900. Ilium has committed to spending over 30 percent of the total funding on local subcontractors, and is DBE/WBE certified. The research information and recommended marketing strategies will be used to encourage changes in behavior among regional solo drivers towards ridesharing through public education, awareness, and advertising in coordination with the San Diego Marketing Alliance for Ridesharing and Transportation (SMART). This regional coalition is composed of the City of San Diego (Chair), the Air Pollution Control District, Commuter Computer, SANDAG, SDG&E, MTDB, San Diego Transit and regional Transportation Management Associations among others. SMART develops coordinated regional marketing and public education campaigns with funding provided through member organizations, and coordinates special events and other activities among its membership.

(R-95-726) ADOPTED AS RESOLUTION R-284921

Authorizing a third amendment to the agreement of December 10, 1990, with Kramer, Chin, and Mayo, for value engineering services required for projects in the City's Point Loma Wastewater Treatment Plant;

Authorizing the City Auditor and Comptroller to transfer amounts within Fund No. 41509, consisting of an amount not to exceed \$85,602 from CIP-46-170.0, Point Loma - Digester Upgrade & Expansion, \$52,745 from CIP-46-175.0, Point Loma - Headworks, Odor Control and Grit Processing Facilities, and \$77,542 from CIP-46-179.0, Point Loma - Power Generation and Distribution Upgrade, all to Fund No. 41509, CIP-45-910.3, Program Planning & Studies;

Authorizing the expenditure of an amount not to exceed \$306,130 from Fund No. 41509, CIP-45-910.3, Program Planning and Studies.

CITY MANAGER SUPPORTING INFORMATION:

On December 10, 1990, the City entered into an agreement with Kramer, Chin, and Mayo, Inc. (KCM), for value engineering services for both pre-design and detailed design packages. Based on the original agreement, eleven value engineering workshops were completed by Amendment No. 1 signed on January 27, 1992, and Amendment No. 2 signed on October 25, 1993. A twelfth value engineering workshop was done in April 1994 under additional services.

This Amendment No. 3 which identifies and describes four more pre-design and detailed design packages is submitted to provide the value engineering services for the identified four design packages. These additional value engineering services under Amendment No. 3 will complete the pre-design and detailed design projects of North and Central Subsystems.

- Exhibit "A" describes the general scope of work for KCM.
- Attachment No. 1 to Exhibit "A" identifies the number of value engineering workshops.
- Attachment No. 2 to Exhibit "A" provides workshop descriptions.
- Exhibit "B" describes the Schedule of Work/Deliverables.

Authorizing the City Manager to execute a contract with  
the NASA Far West Technology Transfer Center;

Authorizing the establishment of the Southwest  
Technology Transfer Center and allocating \$135,000 from  
EDA funds previously designated for the High Technology  
Resource Center;

Accepting the grant in the amount of \$107,000 from the  
NASA Far West Regional Technology Transfer Center for  
the establishment of the Southwest Technology Transfer  
Center, subject to the conditions imposed.

CITY MANAGER SUPPORTING INFORMATION:

The NASA Far West Regional Technology Transfer Center, located at  
the University of Southern California, Los Angeles, has  
established a network of outreach affiliates in Alaska, Arizona,  
Hawaii, Idaho, Nevada, Oregon, Washington, and other parts of  
California. This Center can provide businesses with specialized  
needs assessment, problem solving, market analysis, database  
searches, licensing opportunities, strategic partnering, and NASA  
and federal laboratory expertise.

The Center proposes to add San Diego as an outreach affiliate, to be called the "Southwest Technology Transfer Center," and will operate through the already-established High Technology Resource Center. The contract as proposed by the NASA Far West Technology Transfer Center would provide \$107,000 to the City of San Diego to augment the High Technology Resource Center staff to increase and facilitate awareness of and access to the technology and utilization support assets of NASA and federal research and development laboratories. This agreement requires the City to provide a match in the amount of \$135,000, which is already being provided through the City's grant from the Economic Development Administration for the High Technology Resource Center.

CITY MANAGER SUPPORTING INFORMATION:

On May 31, 1994, the City Council authorized the acceptance of a \$250,000 grant from the California Trade and Commerce Agency, State of California, to fund the establishment of the California Small Business Assistance Network (CSBAN). The CSBAN will provide small-to-medium defense dependent companies with the business data, information and support they need to successfully convert from defense to commercial related activities.

The CSBAN will become a significant element of the City's Economic Defense Conversion program. Science Applications International Corporation (SAIC) was identified in the grant application and the subsequent grant contract as the grant participant to establish the CSBAN. Under this agreement, SAIC will design the CSBAN, and following the City's approval of the design, establish an operational CSBAN. The effective date of this agreement is July 1, 1994 through June 30, 1995. The subject agreement will be funded entirely by the California Trade and Commerce grant, for the amount of \$250,000. The terms and conditions of this agreement have been prepared in accordance with the California Trade and Commerce Agency administrative grant requirements.

Approving Change Order No. 6, dated September 28, 1994,  
issued in connection with the contract with West Coast

General Corporation for the Construction of University Avenue/Lincoln Avenue Two-Way Couplet System, amounting to a net increase in the contract price of \$222,210.13.

CITY MANAGER SUPPORTING INFORMATION:

On June 1, 1993, by Resolution R-282050 the City Council approved the construction documents and authorized the City Manager to execute a contract for Construction of University Avenue/Lincoln Avenue Two-Way Couplet System Improvements. On June 17, 1993 the Couplet System construction contract was awarded to West Coast General Corporation in the amount of \$1,898,425.59. Contract Change Order (C.C.O.) No. 6 will reimburse the Contractor for mitigating unforeseen field conditions encountered during construction. Major items of work in C.C.O. No. 6 involve excavating and disposing of unsuitable clay sub-grade material discovered in the existing roadway section scheduled for demolition.

Although unanticipated the excavation along with an upgraded pavement section is necessary and recommended in order to eliminate future pavement failures.

SUBJECT: Agreement for the City Treasurer to Pursue the  
Collection of Returned Checks.

(See City Manager Report CMR-94-315.)

PUBLIC SERVICES AND SAFETY COMMITTEE'S RECOMMENDATION:  
On 10/19/94, PS&S voted 4-0 to recommend adoption of the  
following resolution (Councilmembers Kehoe, Stevens, McCarty, and  
Vargas voted yea; Councilmember Roberts not present):

(R-95-609) ADOPTED AS RESOLUTION R-284932

Authorizing an agreement with the Metropolitan Transit  
Development Board for the City Treasurer to pursue the  
collection of delinquent returned checks on a  
contingency fee basis.

CITY MANAGER SUPPORTING INFORMATION:

Earlier this year, the Metropolitan Transit Development Board  
(MTDB) requested the assistance of the City Treasurer's office in  
the recovery of delinquent returned checks. Subsequent  
negotiations between MTDB and City staff resulted in a proposed  
agreement whereby City staff will undertake action to collect the  
outstanding delinquent amounts plus returned check fees, treble  
damages, City collection referral fees, and interest, pursuant to  
applicable law.

In consideration of this, the City will retain a percentage of  
the amounts collected as a fee for providing this service. The  
proposed agreement, brought before the MTDB at its regular  
meeting on May 12, 1994, was unanimously approved. Currently,  
MTDB is prepared to refer approximately 700 returned checks  
totaling \$38,000.

ITEM-201:

SUBJECT: Proposition B Revisions to the San Diego Municipal Code  
- Filling Council Vacancies.

(See City Clerk Report CC-94-04.)

CITY CLERK'S RECOMMENDATION:

Introduce the following ordinance:

(O-95-45)           INTRODUCED AS AMENDED, TO BE ADOPTED NOVEMBER  
28,1994

Introduction of an Ordinance amending Chapter II, Article 7, Division 31, of the San Diego Municipal Code by amending Sections 27.3101, 27.3102, 27.3103, 27.3104, 27.3105, 27.3106 and 27.3107; by adding a new Section 27.3108; and by renumbering and amending the former Section 27.3108 to Section 27.3109, relating to Procedures for Filling Vacancies in Elective Offices.

SUPPORTING INFORMATION:

Sections 27.3101 through 27.3108 of the Municipal Code establish procedures for filling vacancies in elective offices by appointment.

Voter approval of Proposition "B" in June, 1994 has resulted in the need to revise these sections. Specifically, changes are needed to distinguish between appointments to fill a vacancy in the office of the Mayor and City Attorney and those to fill a vacancy in a Council District office.

In an instance of a vacancy in the office of the Mayor or City Attorney, the Council has the authority to appoint someone to fill the vacancy.

However, if the appointment is not made within thirty (30) days, the Council must immediately call a special election to fill the vacancy.

With the approval of Proposition "B," the Council must appoint someone to fill a vacancy in a Council District seat only if there is less than one year remaining in the term. All other Council vacancies must be filled by election.

Specifically, the proposed changes include:

1. Proposed Section 27.3101 makes a distinction between appointments to the offices of the Mayor and City Attorney and those to a Council District seat.
2. Proposed Section 27.3102 specifies that in the case of a vacancy in a Council District seat, the presiding officer of the Council shall call a special meeting for the public hearing required by Section 27.3105. It eliminates the

- requirement that there be a special meeting to consider the alternative of appointment or election when the appointment is for a Council District seat.
3. Proposed Section 27.3104 includes a requirement that applicants provide their Social Security Number and file the Form 721 Statement of Economic Interest at the same time all other documents are filed with the City Clerk.
  4. Proposed Section 27.3105 provides that a second public hearing is optional. This allows flexibility so that an appointment can be made following the first public hearing. This section further provides that the public hearing shall be held no sooner than the fifth (5th) working day after the period for filing applications with the Clerk. This provides time for the Clerk to verify the petition signatures and to conduct the police and credit checks, required by Section 27.3104, prior to the public hearing.
  5. Proposed Section 27.3106 provides a process for a single public hearing and appointment.
  6. Proposed Section 27.3107 provides a process for an optional second public hearing and appointment.
  7. Proposed Section 27.3108 states that a person appointed to fill a Council District seat is not eligible to run for that office for the next succeeding term.
  8. Proposed Section 27.3109 is a renumbering of previous Section 27.3108. This section applies only to appointments to the office of the Mayor and the City Attorney.

ITEM-202:

SUBJECT: Two actions related to Reduced Water and Sewer Capacity Charges for Certain Commercial and Industrial Business Enterprises.

(See City Manager Report CMR-94-349.)

CITY MANAGER'S RECOMMENDATION:

Introduce the following ordinance and adopt the following resolution:

Subitem-A: (O-95-66) INTRODUCED, TO BE ADOPTED NOVEMBER 28, 1994

Introduction of an Ordinance amending Chapter VI, Article 4, Division 4, and Chapter VI, Article 7, of the San Diego Municipal Code by amending Section 64.0410 and Section 67.72, relating to Sewer and Water Capacity Charges, to allow the City Council to change the time for payment of capacity charges by resolution.

Subitem-B: (R-95-752 Cor.11/15/94) ADOPTED AS  
RESOLUTION R-284933

1. Adoption of a Resolution establishing the following Water Capacity Charges, pursuant to San Diego Municipal Code Section 67.72:

- A minimum capacity charge of \$4,012 per single family dwelling or its equivalent shall be paid.
- A minimum capacity charge of \$2,500 per single family dwelling or its equivalent shall be paid in the case of new or expanding commercial/industrial enterprises which meet all of the following criteria as determined by the City Manager:
  - A. Contribute to the improvement and growth of the City's economic base;
  - B. Demonstrate an established track record for high volume tax revenue generation;
  - C. Provide employment opportunities for City residents;
  - D. Demonstrate a long-term commitment to the community;
  - E. Are consistent with the City's Economic Development Policy and Strategic Plan and the community's needs and objectives; and
  - F. Generate or retain stabilized annual City tax revenues of at least \$500,000, create 200 quality jobs or provide substantial new or expanded scientific research facilities.

Establishing the following Sewer Capacity Charges,  
pursuant to San Diego Municipal Code Section 64.0410:

- A minimum capacity charge of \$6,998 per single family dwelling or its equivalent shall be paid.
- A minimum capacity charge of \$2,500 per single family dwelling or its equivalent shall be paid in the case of new or expanding commercial/industrial enterprises which meet all of the above criteria as determined by the City Manager.

2. Authorizing the City Manager to negotiate appropriate schedules for the payment of Water and Sewer Capacity Charges with new or expanding commercial/industrial enterprises meeting the above criteria.

Declaring that in those areas of the City where a capacity charge in the form of area charges as established by Council resolution or taxation or special assessment districts (excluding 1911 and 1913 Act assessment districts) results in a payment to the City totaling more than the aforementioned charges per single family dwelling or its equivalent, no new capacity charges shall be imposed by this resolution; however, charges imposed due to reimbursement agreements entered into by the City of San Diego shall be collected where applicable in every case.

ITEM-203:

SUBJECT: Declaring a Continued State of Emergency regarding the Discharge of Raw Sewage from Tijuana, Mexico.

(San Ysidro and Tijuana River Valley Community Areas.  
District-8.)

MAYOR GOLDING'S RECOMMENDATION:

Adopt the following resolution:

(R-95-713) ADOPTED AS RESOLUTION R-284934

Declaring a continued State of Emergency regarding the  
discharge of raw sewage from Tijuana, Mexico.

CITY MANAGER SUPPORTING INFORMATION:

For over 50 years, renegade raw sewage flows from Tijuana, Mexico have flowed across the international border in the Tijuana River into the United States. These flows have impacted the health and safety of San Diego residents. The permanent solution to this border situation is the construction of the proposed International Treatment Plant by the federal government. This plant is expected to be operational by 1998 and will treat raw sewage from Mexico. In the interim, until the international plant is constructed, the City in 1991, agreed to accept and treat 13 million gallons per day of Tijuana sewage in the Metropolitan Sewerage System. The amount of flow that the City can accept is limited due to the capacity of the emergency connection. Due to increased water availability and usage in Tijuana, raw sewage flows in the Tijuana River have increased. These flows are beyond the capacity that can be handled by the Mexican treatment system and the emergency connection. These increased flows threaten the health, safety and welfare of the citizens of San Diego. The continued declaration of emergency will enable the City to assist state and federal agencies in expediting the treatment of this international sewage. The government code requires the local governing body to review a State of Emergency every fourteen days until the local emergency is declared to be terminated. The State of Emergency was first declared by City Council on September 7, 1993. This action requests the continuation of the State of Emergency and authorization for the City Manager to execute all necessary contracts for the diversion, treatment, and disposal of international raw sewage.

Authorizing the expenditure of not to exceed \$10,000  
from Fund 100, Dept. 601, Org. 165, Account 4222, Job  
Order 601657.

CITY MANAGER SUPPORTING INFORMATION:

The Federal Commission on Base Realignment and Closure (BRAC)  
will begin its 1995 process to determine what military  
installations shall be closed.

The Greater San Diego Chamber of Commerce is requesting financial  
assistance from the City in their continuing efforts as in 1991  
and 1993 to preserve military installations from closure.

SUBJECT: Exempting One Council Representative II Position in Intergovernmental Relations Department from the Classified Service.

TODAY'S ACTION IS:

First public hearing of the following ordinance:

(O-95-68) HEARING HELD

Amending Ordinance No. O-18089 (New Series), as amended, entitled "An Ordinance adopting the Annual Budget for the Fiscal Year 1994-95 and Appropriating the Necessary Money to Operate the City of San Diego for said Fiscal Year" by amending the personnel authorization of the Intergovernmental Relations Department by exempting one Council Representative II position from the Classified Service, and establishing a salary rate.

SUPPORTING INFORMATION:

This ordinance will exempt an Administrative Assistant position from the Classified Service. This action will provide the Department of Intergovernmental Relations with the level of management oversight that this program requires. This Department is responsible for managing and directing the City's legislative program in Washington, D.C. and Sacramento, and acting as liaison between City and elected and administrative officials at the State and Federal level. The Civil Service Commission reviewed this request pursuant to Charter Section 117.
